

# ALPHA LAMBDA

"GLANCES AHEAD AT OUR FUTURE AS AN  
INITIATED CHAPTER"

2<sup>ND</sup> ISSUE | OCT 2025

## UNDERGRADUATE CHAPTER UPDATE

### RECRUITMENT & GROWTH

This semester's recruitment efforts brought in an impressive pledge class of 16 men, each exemplifying the values of Sigma Chi. Their energy, integrity, and eagerness to contribute have strengthened the chapter's foundation as we enter this exciting new era at Wisconsin.

### PHILANTHROPY & SERVICE

Our chapter continues to prioritize service and philanthropy as central to our mission. This semester, brothers have been operating a food stand at the Kohl Center during Wisconsin hockey, basketball, and volleyball games, a hands-on effort that has helped raise funds for both the chapter and our philanthropic causes. Brothers are also planning future philanthropic events, and seek to accumulate over 500 collective volunteer hours throughout the semester.

As one brother reflected, "Being able to give back to our community reminds us what it means to live our values every day."

### GREETINGS FROM OUR CONSUL AND TRIBUNE!

The brothers of Sigma Chi at the University of Wisconsin-Madison are proud to share exciting news — after years of hard work, dedication, and unwavering brotherhood, our Alpha Lambda chapter has officially reclaimed our charter and reoccupied our historic home at 221 Langdon Street.

This achievement represents more than a milestone; it's a testament to the perseverance and unity of our brotherhood, as well as the steadfast support of our alumni. We extend our sincerest gratitude to the alumni who guided us through this journey — with a special thanks to Nick Brown, Mike McFadden, Ken Szafranski, Brett Armstrong, and Jeremy Walden — whose mentorship, encouragement, and belief in us never wavered.

As we look ahead, we carry the values of Friendship, Justice, and Learning into every endeavor, honoring the legacy of those who came before us while paving the way for future generations of Sigma Chis at Wisconsin.

## BROTHERHOOD & CAMPUS LIFE

This fall has been full of memorable experiences that have strengthened our bonds and brought our chapter closer together. In October, we hosted a successful date party, a night filled with laughter, camaraderie, and brotherhood. Beyond social events, our brothers continue to enjoy intramural sports and new house traditions that make life at 221 Langdon vibrant and meaningful. From late-night study sessions to shared meals, the house has once again become the heart of our chapter.

## STAYING CONNECTED

We invite all alumni to stay engaged with Alpha Lambda through:

- Campus visits to meet the new pledge class and see the chapter house
- Instagram: [https://www.instagram.com/sigmachiwisconsin/?utm\\_source=ig\\_web\\_button\\_share\\_sheet&igsh=ZDNIZDc0MzIxNw==](https://www.instagram.com/sigmachiwisconsin/?utm_source=ig_web_button_share_sheet&igsh=ZDNIZDc0MzIxNw==)

## LOOKING AHEAD

As we look toward the spring semester, our goals are clear: to continue growing in size, service, and brotherhood. Plans are already underway for spring rush, a new philanthropy initiative benefiting the Huntsman Cancer Foundation, and leadership development programs designed to prepare brothers for both campus and post-graduation success.

We're also eager to strengthen our connection with alumni through mentorship and networking opportunities. If you're interested in participating, please reach out — your wisdom and experience mean the world to us.

## GRATITUDE FROM THE UNDERGRADUATES

We, the undergraduate brothers of the Alpha Lambda chapter, want to express our heartfelt appreciation to our alumni for everything you've done to bring us to this moment. Your guidance, generosity, and belief in our potential made this reinstatement possible.

Your continued involvement ensures that the proud tradition of Sigma Chi at Wisconsin remains strong and enduring.

Sincerely,  
The Alpha Lambda brothers of the Sigma Chi Fraternity
