

ALPHA LAMBDA

"SHARING THE STORIES OF OUR ACTIVE
BROTHERS ON CAMPUS"

3RD ISSUE | NOV 2025

UNDERGRADUATE CHAPTER UPDATE

RECRUITMENT & GROWTH

The brothers of Alpha Lambda continue to study and internalize the Ritual as we prepare for spring rush and the upcoming initiation period. Our focus remains on attracting values-driven men who exemplify the Spirit of Sigma Chi and help strengthen the chapter's foundation.

PHILANTHROPY & SERVICE

This November, brothers have been actively preparing for service opportunities while strengthening their campus presence:

- ServSafe Training: Completed to allow brothers to work concessions at Badger Hockey, Volleyball, and Basketball games.
- Qdoba Fundraiser: Scheduled for 4–8 PM at 548 State Street, with all proceeds going to the Huntsman Cancer Institute on December 10th. This event is part of our ongoing commitment to philanthropy and giving back to the community.

These activities connect our values of friendship, justice, and learning to tangible service in the community.

UNDERGRADUATE HIGHLIGHTS

Academics

Our brothers continue to prioritize academics with structured study sessions and peer support. Several have already earned early recognition for strong performance, reflecting our commitment to scholarship.

Leadership & Campus Involvement

Alpha Lambda brothers continue to engage across campus and represent Sigma Chi with distinction. Notably, Brother Neel Andhole ('27) was elected to the IFC Community Development position, highlighting our chapter's commitment to leadership and positive impact in the Greek community.

Brothers also participate in professional organizations, service initiatives, and other campus leadership roles, strengthening both the chapter and the wider UW–Madison community.
