

ALPHA LAMBDA

"REINSTATED & READY: ENTERING SPRING STRONG "

5TH ISSUE | JAN 2026

GREETINGS FROM OUR CONSUL AND TRIBUNE!

As we wrap up January 2026, the undergraduate brothers of Sigma Chi Alpha Lambda are proud to share this monthly update. Over the winter break, we have focused on giving some time to all our brothers to replenish, relax and plan for the spring semester.

To our alumni, thank you. Your mentorship and support help us honor Alpha Lambda's legacy while building an even stronger future.

Thank you from the brothers at Sigma Chi – Alpha Lambda

CONCESSIONS

The brothers took on concession stand duty at the Wisconsin vs. Penn State game, and let's just say... we understood the assignment. Between fast hands, friendly vibes, and nonstop banter with fans, we built a great rapport with customers and (not to brag) walked away with some seriously solid tips. Best part: every shift like this helps support the chapter and takes a little pressure off brothers when it comes to dues. So if you spot us behind the counter at an upcoming game, come say what's up. You might even leave with a free beverage on us (no promises, but we're feeling generous).
